13.526	Livestock exhibition area in sq m
19.562	sq m Total exhibition area
190	exhibitors from 12 countries
230	Breeders
45.346	Visitors from 17 countries

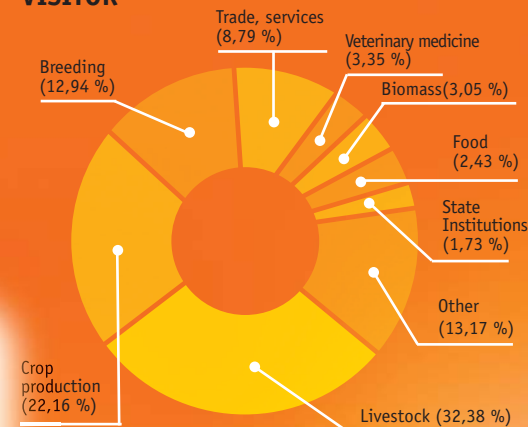

GET NEW CUSTOMERS

More than 45 000 visitors from 17 countries confirm the importance of the National Exhibition.

Almost 55% of the visitors work in the agricultural or livestock production.

Visitors often come here to get a general overview of the field, to meet business partners and to learn about specific products.

FIELDS OF ACTIVITY OF A PROFESSIONAL VISITOR

Make use of the unique atmosphere of the show!

Meet farmers, breeders, veterinarians and other experts. Present them your innovations, products and technology.

NEW BUSINESS OPPORTUNITIES

The National Show in Brno involves 200 Czech and foreign exhibitors.

These include manufacturers / importers of agricultural machinery, animal husbandry technologies, health and reproductive technology, suppliers of livestock fodder and medicines.

NEWS FOR THE YEAR 2013

Every year we come up with new topics that increase the prestige and popularity of the National Exhibition:

- Interconnection of technology exhibitors and animal expositions in a joint pavilion
- Agrotourism
- Presentation of ranches in the Czech Republic
- Rodeo races
- Brno Trophy Night show - western, show jumping, rodeo
- Exhibition of miniature horses
